FABLICATOR WARRANTY

All reasonable checks have been made during each step of manufacturing to insure that this product matches our established standards of high quality.

K&L Services Group Inc. warrants that it will replace or repair any portion of any machine made by K&L Services Group Inc. within 24 months from the date of delivery, which can be shown to have failed through defective materials, workmanship or design, provided such parts and/or machines are returned to K&L Services Group Inc. freight prepaid when required. In no case will K&L Services Group Inc. be responsible for repairs made without its knowledge or approval or for indirect damage, or any consequential loss or expense incurred.

We would urge you to read very carefully the user manual provided with the machine to ensure that the machine gives first class service. This warranty is subject to proper use and installation in accordance with the installation and operation instructions.

This warranty applies to the United States and Canada only.

In the event that you should need to invoke the warranty, you should immediately contact our service department, who will then arrange the details for repair of the product.
